NOSIKU KALONGA

The Mother Of Children

THIS MONTH HAS BEEN SHORT AND BUSY ESPECIALLY WITH THE PREPARATION OF THE MEMORIAL SERVICE OF OUR BELOVED MOTHER, MENTOR, FOUNDER & EXECUTIVE DIRECTOR NOSIKU KALONGA SILUWAILE (MHSRIP).

This month our two International Volunteers shifted from their temporal house to this beautiful house which is just near to MCOP Centre. Mmabana is happy that Helena and Catalina likes the house and are safe.

A Portrait of our new Executive Director Mr. Tobias Kilaka was added below to the two portrait of our late and former Executive Directors.

Mr. Mwiinga our project Manager and Helena holding a cow at his farm during the week end. It is always refreshing after a busy week visiting at the farm enjoying the nature!

Mr. Chasaya Mulenga former computer course student of 2011 came back to give a facilitation about National Health Registration during youth club.

Our Picture wall in the office tells of a thousand stories of Mmabana past events . Always inspiring !

Some of the staff members in the office waiting for the management meeting . Every Monday we meet to give reports of our previous week activities and plan for the next week.

Pastor Collen Mpande sharing a Devotion during youth club

Mathews and Luyando our Youth Leader and Class Representative always smiling and enjoying the computer course. Behind them are their teachers Mr. John & Cosmas!

We are glad to have our new partner Tufwike Zambia an organisation that is providing clothing and school materials to the orphans and street kids, looking forward to work with them in some projects.

Purity & Catalina during SHE Club at Mwapona Basic School teaching about Hygiene to the learners.
